**LETTER FROM THE GENERAL MANAGER**

Dear Member,  
 Spring is here and we all are anticipating the beginning of the golf, tennis and pool season!  
 Last month we began our Membership Initiative and we are seeing some positive results in new membership. We've had to order a second batch of Initiative Packets already so feel free to get them from either myself or Mandy. Thanks to all of you who are inviting friends and acquaintances to come out and "preview" the club! There is still a lot of time and warm weather between now and June 15<sup>th</sup>, so let's keep getting those Initiative Packets in the hands of prospective members. Everyone wins when we have a full, vibrant membership!  
 Thank you for attending the Town Hall meeting last month. The Board of Directors' presentation of our issues and strategies was thorough, informative and well received. I would like to take this opportunity to say thank you and goodbye to our controller, Sara Lavochkin. Sara has done the highest quality work and has been a joy to work with. We wish her the best of luck as she pursues the opportunities offered her. I would also like to welcome Byron Webb to Riverside's management team as our new controller. Please stop in, introduce yourself and say hello to Byron.

Chuck Donch  
 General Manager
