LETTER FROM THE GENERAL MANAGER

Dear Member,

Now that most of winter is behind us, (Let's hope!) I'd like to thank everyone for supporting the club and all the events held here this winter. From the monthly buffets to wine tasting and night-skiing, to elegant wine dinners, your support was noticed and appreciated!

Spring is on the way and the saying goes; "March comes in like a lion and goes out like a lamb". In my mind, nothing sets the tone like the Master's for the sweet anticipation of a summer full of golf at RCC. March may come in like a lion but for me, and for many of you as well, March goes out with the Master's being played the first week of April. There is nothing like watching the tournament at this time of year to get the fever to play some golf.

Spring is also the time new members find their way to Riverside. I am hoping you have heard RCC launching a membership campaign to coincide with the prospect of fine weather and enjoyable rounds of golf. The Riverside management team is very excited about all the attributes this campaign has to offer, as it provides win-win-win-win solutions. That is: our current members win, new members win, RCC wins and our employees win. It doesn't get much better! I hope to see as many of you as possible at the drive's Kick-off party on March 9th!

The club's membership deserves new members! This wonderful clubhouse, beautiful course, and all the amenities that are Riverside deserve new members. We all deserve a vibrant, thriving and active club. Let's make it happen!

Chuck Donch
 General Manager

WINE CLUB

\$35.00 per month

One Red Wine & One White Wine

Pickup date: 1st Friday of the month

Riverside Country Club takes great pleasure in introducing our very own wine club. The wine club offers beginners an ideal way to learn about the subtleties and complexities of wine, and it offers connoisseurs a chance to experience wine they otherwise might not find. The ease and convenience of having terrific wines delivers on a regular basis makes filling an impressive wine rack a simple and considerably less expensive task. By far the best way to learn about wines is to drink them. It sounds obvious, but many people forget the need to actually experience different wines. A great way to taste many different kinds of wine is to join the wine club. Contact the main office for more information.
