Pickup date: 1st Friday of the month

Riverside Country Club takes great pleasure in introducing our very own wine club. The wine club offers beginners an ideal way to learn about the subtleties and complexities of wine, and it offers connoisseurs a chance to experience wine they otherwise might not find. The ease and convenience of having terrific wines delivers on a regular basis makes filling an impressive wine rack a simple and considerably less expensive task. By far the best way to learn about wines is to drink them. It sounds obvious, but many people forget the need to actually experience different wines. A great way to taste many different kinds of wine is to join the wine club. Contact the main office for more information.

CHILDREN ETIQUETTE CLASSES

Back by popular demand...

In the “olden days”, using proper etiquette in everyday life and special occasions seemed like more of a social must than a matter of personal choice. It’s pretty safe to say that our grandmothers wouldn’t dare answer her cell phone (if there were such a thing) at the dinner table or chew with her mouth open. But oh, how times have changed. However, just as chivalry isn’t dead, proper etiquette isn’t either. If you’re already employing these etiquette tips in your child’s life, congratulations – Miss Manners would be proud. If you’re slacking, here is a great opportunity for your children. Sign the kids up for an etiquette dinner with Miss Mandy in the month of March . We will meet two nights to have dinner and cover basic dining etiquette. **One time only event. Class sizes are limited.**

**Please make sure your children
are in the appropriate age group.**
